

**DECLARATION UNDER MPEP 2132.01, *In re Katz*
AND CFR 1.132**

As a below-named inventor, I hereby declare that:

My residence, address and citizenship are as stated below next to my name.

1. I believe I am an original, first and joint inventor (see the co-inventors names as listed below) of the subject matter which is claimed and for which a patent is sought on the patent application and invention entitled:

OPTICAL SECURITY SYSTEM USING FOURIER PLANE ENCODING

Serial No. 09/493,692

Filed 1/28/00

Attorney Docket No. 98-2091, NIV-0008

2. In regard to the scholarly research article (hereafter "the article") which was authored by Bahram Javidi and Esmail Ahouzi and entitled: "Optical security system with Fourier plane encoding" of 10 September 1998 in vol. 37, No. 26 of *Applied Optics*, we declare the following in accordance with MPEP 2132.01 and the *In Re Katz*, 687 F.2nd 450 (1982) case discussed herein:

a. Mr. Guashen Zhang is a named co-inventor of the above captioned present application, serial no. 09/493,692, and also contributed to the work disclosed in the article but was not listed as an author of the article because he did not help to write or edit the article for publication in *Applied Optics*.

b. Therefore, in accordance with MPEP 2132.01 and *In re Katz* discussed therein, the three undersigned applicant co-inventors declare that the work in the article is solely their own work and not work by another in accordance with the MPEP 2132.01.

c. Therefore, the article does not qualify as a 35 U.S.C. §102(a) reference and should be respectfully removed as a rejection in the USPTO Office Action dated 01/28/2000.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, statements were made with the knowledge that willfully false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that all such willful false statements may jeopardize the validity of the application or any patent issued thereon.
